Name: Gavin Conran

Congratulations! You have successfully completed the studio track of the online Human-Computer Interaction course, offered May through July, 2012. To successfully complete the studio track of the course, students were required to watch lectures, complete a design project and take weekly quizzes. Your score was as follows:

Weekly Quizzes: 17.0 out of 19

Design Project: 410.2 out of 500

Sincerely,

Scott Klemmer

Associate Professor

Computer Science Department

Stanford University

Please note: This online offering of Human-Computer Interaction does not reflect the entire curriculum offered to students enrolled at Stanford University. This document does not affirm that you were enrolled as a Stanford student in any way; it does not confer a Stanford grade; it does not confer Stanford credit; it does not confer a Stanford degree or a certificate; and it does not verify the identity of the individual who took the course.
